24 hours a day

Discreet and confidential

Pharmacies on site

Free shipping

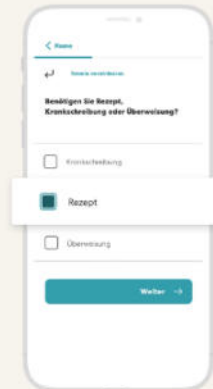

Medical specialists from Germany

Over 100,000 patients

TeleClinic works as simple as this

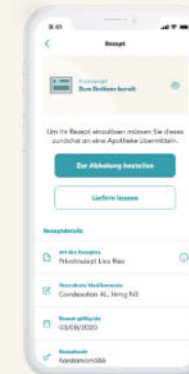

1. Register and choose your desired date

Answer a few questions and book your appointment directly (immediately or desired date).

2. Online doctor visit in the app.

Get doctor's consultation, prescription and sick note in minutes via app.

3. Pick up medicines or have them delivered.

Pick up medicines from local pharmacies or have them conveniently delivered to your home.
